

# ivy newsletter

PHILADELPHIA: #X 31 JULY 1973  
LETTER #4

Dear IVY People,

Enclosed with this IVY newsletter #4 is the Spring Meeting minutes:

1. The Minutes are a mite shorter than usual as Chas dictated them over the phone to me. Any additions to be included in the minutes can be noted on postcard enclosed.
2. As of the weekend I was pleased to hear by postcard from BRU, PRB, VBR, and VBC. In answer to PRB, the full name of the Treasurer is Charles Ashley Bryant, known as Chas or Charlie to the world.
3. News: Phone bill for July was, of course, miniscule. Xerox and SRDS are still outstanding but that is about it. I meet with John Hanson of NEAS on Friday. Again, if you want anything conveyed to him just give me a call. John tells me that no one at Bud knows who has been approving the IVY budget for the last few years. Bud does multi thousands of dollars with NEAS so don't worry. John refuses to make rosy predictions until he has buy orders. My feeling is that they will do well by us. I want to see the bucks, but they have done terrifically by the newspapers and are putting a big investment into us. We must simply make sure that we stay strong as a group so that if NEAS does make college radio as big nationally as they did the newspapers, we are still in a strong bargaining position. This calls for active involvement by the stations in IVY.
4. Chas and I did not get together this weekend because he was held up at Watkin's Glen coming back on Sunday. The Spring checks will be out as soon as we get together.
5. FALL MEETING is scheduled for Sunday, 2 December in New Haven. This is early notice, and the date is after the ~~fall~~ football season and before exams, so everyone should be able to attend. Expenses will be paid for travel (New Haven is the cheapest city to meet in on the basis of travel expenses). Everyone is invited to come down on Friday or Saturday for socializing. Before the meeting we need three stations to volunteer for the Audit Committee to review the financial statements which Chas prepares on last year before presentation to the Board.
6. As soon as I can, I will send out a Xerox of the WXPB withdrawal letter showing their calculation of the amount they owe us. You will have to decide at the Fall Meeting what you want to do. Agenda for that meeting will be out in advance, so any items you want placed on it can be noted on the ever-present postcard. ALSO: address changes, station officers, school schedule are needed. Any new promo material you think NEAS might want should be sent in.

later,
